## PREFACE

One hundred poems, most with a mystical or profoundly spiritual tone, make up *OASIS*, my 46th collection of poetry written in English. The strength of these poems stems from their capacity to illuminate the inner life, teach readers about the God-centered existence, and encourage them to leave behind the sinful ways of this world and live a holy spiritual life. This book is an invitation to leave behind the cares of this world and enter the kingdom of heaven.

Everyone needs to change their life's trajectory at some point, and the book encourages its readers to do just that. A lack of genuine faith in God is the source of all the world's issues and difficulties, as these poems affirm. I have done my best to lay out the facts of "how to find God." All of the claims I make are grounded in my own experiences. I have defined spiritual wisdom and highlighted its major achievements. The importance of maintaining unwavering confidence in God is conveyed. In a masterful way, I described how a man can master his feelings and impulses. A holy world near to God that is beyond human comprehension is where I have committed my life. The importance of strong moral principles, uniqueness, and honesty have been eloquently articulated by me.

Intuition and revelation are defined precisely by me. Within the context of the inner life, I outline the paramount significance of realization. I give advice on how to gain full mastery of one's soul and I implore everyone to do the same. Everyone wants to be a good person, and I

want to stress that there is no such thing as absolute wrong. But there are evil powers at work, and they always regress man whenever he tries to advance, until he is a captive to them. No one is immune to this. My writing has focused on the benefits of solitude and the ways in which it might facilitate communication with a higher power. I have also brought everyone's attention to the sweetness of God, the sweetest sweetness of all. The sweetness of God is greater than the pleasures of this life. Being in God's presence is more valuable than all the money in the world, and the wonderful reality is that grace from God is the true wealth.

I have laid out in great detail the spiritual responses that man must have in order to fulfill the destiny that lies within his inner life. I have made it very apparent that the only way out of this world is to enter God's kingdom and become closer to Him. Like a lost soul in the desert, a devout person faces the wrath of burning sun until he finds an oasis and is rescued. A man's good fortune from God often comes as a complete surprise. I went on to say that having a peaceful heart is the same as having a peaceful world. I have tried to reveal the reality by breaking it down. In sum, the book is a cure-all for broken hearts.

## A CHILD WITH WONDER

Talents bestowed by God are rare  
They are endowed with God's essential attributes  
There is absolutely no artificiality on a handful of planet,  
In them, it's only natural that they thrive alongside  
They are self-sufficient due to their inherent wisdom and God's grace  
What the environment provides in terms of proper instruction develops  
The Mysteries of God; a young boy of seven years old is one of them  
His name is Avirbhav, from the Idukki area in Kerala  
He can sing so well; as good as Usain Bolt or Diego Maradona  
Even more so than the great vocalists, he is well-versed in every singing  
The tune is so lovely, and his singing makes you feel like you're in paradise  
Then the awe-inspiring wonder of singing, perfection  
Beautiful and flawless, his every word makes the wonder  
Knowing that he is a conduit for God's song, we ought to be  
Feeling incredibly proud of him for rising beyond the ordinary  
He won the most prestigious singing contest in India, "Superstar Singer 3."

## A DOCTOR

Make the sacrifice necessary to enter this occupation  
This line of work is sacred, lofty, and even heavenly  
Serving the poor with unwavering devotion is the essence,  
Helping the many sick should be an act of selflessness  
In this dedicated devotion, greed has absolutely no place,  
Satisfaction after healing the sick is the greatest reward,  
When the doctor passes away, it will be worth more than a billion  
A great satisfaction with curing a large number of patients;  
Comes into this career with a goal in mind, and leaves this world fulfilled.

## **A HUSBAND'S ANGUISH**

Former Indian Foreign Service officer Mohan Parameswaran  
Is a one-of-a-kind character whose beloved wife has died away  
Leaving behind children a few years ago, one was having  
Health issues; a strange circumstance develops  
Where the youngster requires extensive attention from his father,  
Stiff as a rock, the father is unfazed by the extreme miseries  
He bravely confronted the great tragedy and his determination,  
The unending love he bestows propels life ahead  
As he shares fond recollections of his late wife with his children.

## A LOVE THAT SWELLED

Love that is genuine doesn't balloon or inflate  
It's not like a blown-up balloon; it's muted and diminutive  
All that's inside the inflated balloon is gas; nothing else  
Just like a balloon, swollen love explodes when pressure is applied  
Emerges; all things have vanished; excessive display  
It's not centered love but rather peripheral love that is expressed  
Love, the genuine kind, resides in one's soul or heart.  
It develops gradually and seldom bursts out with such a roar  
Never rises above a whisper, yet it's melodic and incredibly lovely.

## A PERSONAL ODYSSEY AND INNER LIFE

To what extent is the general public aware of the inner life?  
A person's inner life, and not their outside existence, is the true one  
There are many thorns and other impediments along the inner path  
That is the sole existence that matters to God.  
The inner path covers a distance of miles and miles,  
When one is truly great, he submits completely to God,  
The foundation is becoming bonded to Him via faith in God,  
In order to reach the inner life, one must traverse the incalculable  
Difficulties encountered on the twisting inner road, and there  
The rescue for the traveler is brought about by faith, with  
Ascending the inner path's hurdles one by one;  
Faith in God is fortified, and eventually it becomes  
Strong and unyielding; following that, the passions for the  
Things of this world are spiritually removed from the traveler,  
His internal eyes and ears open and he perceives with them,  
The big barrier that stood between man God was broken down  
By his unwavering faith in God, humanity seeks God's presence.  
There is only one destination for inner travel, and that is man  
Discovers that God is all in him and that he is totally nothing.

## A SMILE

Recently, an actor was insulted in public,  
No one is surprised to hear that a simple smile  
Can alleviate the major public slur he endured;  
It's a major takeaway: whenever you encounter disrespect,  
As much as challenging circumstances or strong resistance,  
Never feel the wrath; the ache will go away if  
You should take it very lightly, and it won't  
Assist you in any way, the miraculous mental cure  
A smile is all that's needed; it happens with a smile.

## A STRANGE LOVE TALE

The two English literature postgraduate students  
The two young people, a girl and a boy from separate places  
It seems reasonable to meet at the same university; at first look  
Their voices barely carried a whisper as they trembled in fear  
But something in their hearts compelled them to be bound together;  
They were too timid to open up to one another about their sacred tie  
Similarly, they persisted with their research, but a misunderstanding  
After they finished their time at university, forced them separate ways,  
Although every day, indestructible memories blossom,  
In either case, even though they're both located at the  
Two extremes of the planet, with frequently opposing faces  
Manifest in their thoughts in a way that brings them happiness.  
The moon is hidden under them as they near the end of their lives  
At night, the clouds part, revealing golden rays in the dark sky.

## A SURGEON

When it came to surgery, Dr. P.V. Koshy was a master  
Shaped human forms, he was actually a carpenter  
Joining a hospital after finishing medical studies, which  
Floated in makeshift shacks in a town in the Indian state, Kerala  
His devotion to his work and lack of selfishness were truly remarkable  
Because he stayed faithful to the doctor's teachings and gave his all,  
Surgery was seen as a rescue by both society and the ill, and he  
Worked nonstop, never tiring, all the time he was in the  
Operating room doing procedures on ill patients; he wasn't exhausted.  
Years went by while worried about his health and went without nourishment;  
Former shacks are now massive structures; among them is a hospital  
Moved on to a multi-specialty facility, although the attending  
Surgeon's health declined after the heavy load he was carrying  
The consensus was that he should take rest, but he was at a loss as to what  
An end to his career as a medical surgeon; finally, he collapsed  
After his "heart attack," he was unable to move or even consider doing so  
Despite being away from the ill, he hurried and neglected to get enough rest.  
A few days later, to the operating room. and he had been  
Operating all hours of the day and night. Then he collapsed and died,  
As per his wish, he was buried in the town, near the hospital, where he was working.

## **ALL WHAT YOU NEED**

You need only one thing in the world  
That is relaxation of mind, free from  
Stress and strain; it will combat all your  
Adversities and the dreadful diseases,  
The cause for all major diseases is tension.  
The world doesn't give you mental peace,  
You get it from God only, the faith in God  
Depend fully on God and believe in God  
Wonders will happen in you; begin today.

## **AN ATTEMPT TO EXPLORE GOD'S SPIRIT SCIENTIFICALLY**

Everything on earth, including humans, is created by God.  
If every substance is analyzed scientifically, it goes to the atom  
If every substance is dissected spiritually, it ends with God  
The spirit of God; the knife used for the spiritual dissection  
Is absolute faith in God; if the human mind is dissected like wise  
The endpoint is the spirit of God; the human mind should be  
Dissected continuously with the knife of faith and end in God.

## AN ENTIRE CENTURY

Realization of God's love, which changes humans,  
His blessings are distributed to the human mind  
A wonderful zenith was the encounter with God  
With the grace of God and the splendor of His love,  
The power of connection is expanded through care,  
In God's presence, an intimate dialogue with Him to  
Glorify Him, and love one another in His guidance  
A century of being enveloped in the aroma of His  
Love, while imagining the splendor of His grace  
Has caused the centurion to complete her mission  
To join Him forever is the admirable goal of living.

## ANNOTATION

A note by way of explanation or comment  
Added to the way how to live to be explained,  
Everything in the universe, the God's creation  
Has the truth inside, that should be explored and  
To be found out, the duty of everyone, Cos God  
Is the greatest truth, distributed in tiny amounts  
In all His creations, the sweetness and greatness of  
Everything is found only if the truth hidden in each and  
Everything is uncovered; this process is a search to find  
The truth, then only one can proceed in inner life; it's  
The fruitfulness of human life, everybody must know it.

## **APPRECIATE**

Only people with compassionate hearts appreciate goodness.  
They perceive beauty in every aspect of beneficial things,  
I've always felt excited about appreciating and congratulating,  
It's a breath of love and open-heartedness that never fails,  
Go down and touch the filthy ugliness, no matter how ugly it may be,  
They strive to transform the ugly into something bright and beautiful,  
Always be cheerful and appreciate the good in the ugly.

## BEYOND THOUGHTS

It isn't science but pure spirituality.  
Beyond thoughts, there is a vacuum,  
One can reach there only through faith,  
Intense faith in God, surpassing worldly,  
Anyone can reach here with faith; it's  
Beyond the human brain, which science  
Doesn't know, and it's the truth of truth  
Which many can't digest; it's the real zone.  
And godliness, the site of spiritual wisdom,  
The biggest godly treasure, and it's not the  
Flourishing outer world; all must know it.

## CHANGE OUR TRACK

What humans ought to be done  
What many of us are not doing  
Think for a moment and ask ourselves  
What for we are born in the world?  
What is the aim of human life?  
Is it to flourish in the outer world?  
Is it only to fulfill the duties of the outer world?  
Just for a moment, think with concentration  
Then we will develop the curiosity to know  
Once we have inquisitiveness, we know search,  
It is only by searching that we get the answer to the questions  
Then we realize the inner life is the real life,  
The aim of life is to reach the destiny of an inner journey  
That is to find the truth of one's life,  
The truth of life is the creator, God  
It's finding God, the final destiny.  
The outer life should be the reflection of the inner life,  
That is, we get the spiritual wisdom to live in the outer world.

Copyright © Oasis, Dr. K. K. Mathew

## CHRISTIAN DOCTRINE

Happiness in extreme suffering and misery  
Happiness in Jesus Christ, the doctrine of Christian life  
The true life is the inner life, not the outer life  
It's what is intended for all humans  
The endpoint of the inner life of a Christian is zero,  
"I'm a big zero, and everything in me is Jesus only.  
Hence, why should I worry?".

## CLOUDS

Peace pieces are sailing high in the sky  
As if peace is eluding the earth and man  
To see it with heart that peace is reachable,  
Clouds look like the white angels watching,  
At times they weep seeing man's cunningness,  
After the weeping, God shows the 7 colors.  
In the sky, a warning to the wicked to stop it.  
Let the hearts be filled with the purity of clouds,  
May the clouds come down and sail on the earth.

## CONTEMPLATE

Looking thoughtfully and thinking deeply and at length,  
Mistakes in life did not bother a person as he contemplated  
The length and breadth of it, to the core, has been updated.  
Ideas to counter the sadness of life, infused with optimism  
In life, contemplation gives man enough strength to stand  
The adversities and his contemplation of the truthfulness of life,  
It provides immense pleasure and satisfaction; pay attention  
And consider the intricacies of human existence in depth.

Copyright © Oasis, Dr. K. K. Mathew

## CONVICTION AND DETERMINATION

These are what many people lack in life and  
Their life is in a fluid state, flowing here and there  
They won't reach anywhere, always wandering.  
Stabilize the mind with faith; never tilt to any side  
Realize the truth, and never go away from it  
Form a bundle of strong belief in the truth and  
Put footings strong here and stabilize the mind on it  
Take a strong determination, not to move and  
The realization, conviction, and determination  
Make manliness and womanliness in a human being.

## DIFFERENCE BETWEEN GOOD AND BAD

The answer is straightforward: those who are good always  
Onward, while those with the inverse orientation gaze downward  
The upside denotes paradise and the downside horror.  
That's the one distinction; initially, paradise attracted  
The second group is drawn to group and hell; individuals  
In reality, neither faction is malicious, but the attraction  
Important; how can we fix the second set?  
All it takes is a shift in the force of attraction for them  
They need to look up instead of down; that's what's required.

## **DISCOVERING THE LIFE**

One should lead the inner life, which is the actual life;  
Outside of it, which is where most people spend their time  
All that matters is the transience of our worldly existence  
As a matter of fact, the inner life is everlasting and everything.  
A person's inner life, and nothing else, is what matters to God,  
The introspective process ought to encompass one's entire existence.  
Outer life should be the reflection of inner life  
The core of the spiritual path is trust in God  
Everyone should reevaluate their life.

Copyright © Oasis, Dr. K. K. Mathew

## **DURABLE HAPPINESS**

Happiness is an attitude of the external mind.  
Happiness in extreme miseries and sufferings  
One can't normally think of it, but it happens  
When the passion for the worldly suppressed  
By intense faith in God; the gravity of adversities  
Are much lessened and very happy every time,  
The tension of the external mind is relieved by the  
Activated inner mind; it's "happiness in miseries".

## ENIGMAS OF THE SUPREME BEING

"I don't see God; can you provide evidence?" a lot of people ask  
God is invisible to the naked sight, yet experienced by the  
Open, deep senses, the keen senses perceive quite well, yet  
For many, passion seals off their most profound perceptions  
When it comes to the passions for the worldly, close them;  
As a result of a strong faith in God, the worldly are banished,  
The human race is drawn nearer to God and deep senses open,  
It is easy to sense God with the open, profound senses  
One can sense the presence of God with open, deep senses,  
All people, especially those in nature, and all the  
Things like birds, animals, and the cosmos itself;  
The sun's, moon's, and planetary functions, as well as the solution  
Regarding the inquiry, the planets don't fall alongside the vision  
How the human body's internal organs miraculously function.  
If one surrenders completely to God, it will be quite evident  
God will reveal all of God's mysteries to that individual  
Person, and it defies scientific measurement standards as well.

## FAITH IN GOD

The way one imagines it isn't accurate  
Having faith in God isn't as simple as one thinks  
To cover it up, it's more of a spiritual thing  
A considerable amount of time; what gives?  
Evil has reached new depths because of man  
Many challenges are necessary for man to become near to God  
Any effort to draw near to God must  
Perform a battery of fitness tests  
The trial serves to fortify one's faith in God  
Finally, trust is unwavering  
Next, the materially-focused, spiritually-detached from-man  
He has perceptual abilities, his deep senses open to hear and see  
In this state, man draws spiritually near to God.  
He is now tasked with completing a single duty  
Doing so is simply following God.

## FRIENDS

Soul to soul practically inseparable, heart to heart close  
But all along the road, the corpses are kept out of the way  
The essence of love shines through when it communicates  
Truthfulness, honesty, and sincerity are of utmost importance  
Honesty in all dealings, holiness at heart  
The downtrodden and persecuted can always count on assistance.  
Love is bestowed upon everybody; wisdom is shared  
All people can see the way forward when those in need get help  
Love, which shines brightest, is given to everyone  
The unifying force isn't possessive, that much is certain  
True altruism and a desire to live in peace are inherent in every person.

## FRIENDSHIP AND LOVE

Sugar and honey are the only definitions,  
Sugar doesn't need honey; honey doesn't.  
Both want to be independent; both want  
Identity. When combined, they disintegrate,  
Genuine love is rare, but friendship is abundant  
And true love is soul love; it's God's love,  
True friendship is based on sincerity and honesty,  
Honesty is incredibly merciful and compassionate;  
Have a true friendship, but not a decorated love.

## **GOD- CENTERED LIFE**

The greatness of man is to live a God-centered life. How is it possible one should know and practice Excavation of mind with the weapon faith in God and The world and worldly spiritually removed, the deep Senses open, focus mind, and adhere to the center Of mind, that is the vision of God; fix with that point. Fuse with it. It's the broad mechanism, how human Mind can be attached to God, and He is at the center Of the human mind, leading and guiding him in his life.

## **HAPPY WORLD MUSIC DAY!**

Musical compositions, vocal performances, or a mix of the two  
Harmony, form, and beauty are all achieved in this way  
Expressions of sentiment; indications that are written or printed  
Symbolizing the depths of music, whether it is vocal or instrumental,  
Emotions are hardwired into our brains, and they can even smooth out  
A paradise of heavenly sweetness is the human soul's sweetening.  
The melody evokes every part of a person with great inspiration  
Give your undivided attention to it, and the inner beauty that  
Is revealed to everyone; the delightful, joyful sensation has its  
Effect on the human, luring him into the hypnotic chasm of feeling  
With an indescribable sweetness of heartfelt sentiment and emotion.

## HOPE

The sentiment of expecting for and desiring a specific  
Things to take place; the resulting emotion is fragile,  
It always goes hand-in-hand with intense faith in God;  
Have faith in God; in the face of strong opposition and hardships,  
The sunbeams of joy and brightness are beginning to emerge  
Throughout life, like a watchdog illuminating the shadows,  
A lovely emotion arises, one that grows in the thick darkness  
At worst, it provides a welcome diversion from the anxious thoughts.

## HOW SILLY WE ARE

Do we know man is constituted by two things?  
They are the peripheral, perishable body and soul  
The human body is the outer covering and the soul is the core  
In fact, life is infused by the soul in the lifeless body  
But humans are carried away by the beauty of the body  
They are absolutely not bothered about the human soul  
So many conflicts occur for the sake of the human body  
None wants a soul. Because it needs exploration to find soul,  
Little difficulty for man to encounter to find human soul;  
All man needs is the lifeless, perishable outer covering.

## HOW TO CONTROL EMOTIONAL DRIVE?

In light of the reported film atrocities in Kerala,  
The question is, how to resist the emotional drive?  
The answer is to find the Almighty by himself or herself  
You must sense the sweetness of the relationship with God  
The drive is controlled only by the Spirit of God.  
The effect of nerves is responsible for worldly enjoyment,  
The drive is produced by stimulation of a specific type of nerve,  
The sweetness of the relationship with God is incomparable.  
Those who delight in the sweetness of God will resist  
Emotional drive and they will never become its slaves.

## HOW TO FIND GOD?

A continuous search is underway to uncover the truth of life  
It doesn't come from books, but from experiences  
The urge to find it spans several decades,  
Base; fully surrender to God; it shouldn't  
Be partial; become attached to faith in God  
Initially faith is too weak; the one who goes to God must  
Thrive through numerous purification processes;  
Called tribulations; with faith one can win over these;  
There are hurdles, and with each jump over these obstacles,  
Faith strengthens, and at last, faith in God becomes  
Unbreakable; then a surprise: the passion for worldly gone,  
The soul spiritually separates itself from the world and worldly things  
The closed internal senses open, allowing the person to see and feel,  
The barrier between man God is crushed, drawing man closer to God  
When he approaches the vicinity of God, he hears the words  
Of God, with his open internal senses, visualizes the most  
Sacred things; these processes are spiritual reactions,  
His sole responsibility in the world is to follow God.

Intuition sparks in me, and I'm bound with happiness,

## INTERNAL SENSES

Essence of life to be bestowed on humans  
What is the ultimate peak of human life?  
So simplified is the computerised answer to it;  
With intense faith in God, mind becomes flexible,  
Mind becomes tamed; it can be moved to and fro,  
Or up and down; the mind can be lifted much above  
Thoughts, or temptations, or the feelings of any  
Adversity; in the space there is tranquilly, divinity,  
And godliness; the mind can be placed there for long;  
One is now with God always; it's quite possible for  
Everyone; what one needs is the inquisitiveness and  
The great urge for this attainment; it is the supreme.

## JESUS CHRIST

Indescribable is the essence of intense love.  
Above everything else, "The king of kings gave up  
His life in order to save the biggest sinner,"  
He gave his life for my sake; He is in me, and with me  
He never leaves my side, and I will pass away in Him; that's the  
Central to my existence; being in his presence fortified me;  
I am nothing without His presence within me  
I am fully aware that I am a huge zero; it's the most importantly,  
I am completely at liberty; all I have to do is follow him  
My heart is overflowing with extreme joy, and I'm fully satisfied.

## LESS TALK

"Less talk, more action" is a life adage  
Yet, there's little that can be done to prevent this,  
Life is melodrama when people talk too much,  
Do everything with the utmost care and consideration  
Don't waste energy for loose talk; use it for deeds,

## LIVE WITH SOUL

God created man with the soul, the controlling power,  
Every human's soul is the tiniest element of God  
But the excessive passions for worldly, displaced soul,  
The body and external elements take precedence over the soul,  
The mind and brain takes control of the situation, man moved away  
From perfection, a sorry state of affairs unfolded.  
The man himself is the corrective measure for this anomaly;  
Find the soul, that is with complete faith in God, and liberate soul,  
The soul escapes from the prison of worldly passions  
The soul seizes control of the human being, and man becomes  
Fully controlled by the soul, man reverts to his previous status.  
The world becomes free From troubles and eternal peace spreads.

## LOOKING FOR

How many people are aware that life is an ongoing quest?  
When you search on the side, in your thoughts, you can brush off the grime  
Getting the product and moving on to the new role,  
Each new moment brings a fresh start, as we bid farewell to the old  
Enduring and acquiring new knowledge; it's the dissection  
On the level of the intellect, using the scalpel of unwavering trust in God  
As one goes on an inward journey on the  
Difficult road; salvation arrives during the inner journey; when  
Disentangling one's faith from the world makes it unshakable  
The individual is being led entirely by his soul, and as a result,  
He finally understands that he is nothing and everything in him is God  
There is no responsibility for him other than to obey God, for God is in him  
Life is good even if one doesn't do much,  
God, the one thing that truly matters to him, is his wealth,  
What he gained is much more valuable than what other people acquired.

## LOVE OF 1970

At that moment, there was no internet connection  
Messages alone were sufficient, the postal letters  
Sofia and Rani lived together and were in the same class  
In that dorm room, they were both enrolled in English literature classes  
The ancient English poets were beloved by both of them  
They talked about them for quite some time;  
Eventually, Sofia received a lovely holiday card from one Ramanan  
Along with a love poem penned by Keats in lovely card  
The handwriting stood out to her because it was sent by Rani's brother  
She sent him a poem by Shelley as a token of her appreciation  
Their correspondence regarding the poetry is quite consistent  
Several English poets participated, a passionate love  
In the realm of English poetry, they formed an unbreakable connection  
Rani stayed out of their relationship.  
Ramanan returned from the United States to her home that day  
He was clever, yet he still wanted to propose to Sofia  
His physical look was lacking in the images  
Everyone in her family, including her parents and siblings, was devastated by this  
They were completely against the marriage, and they were furious with her  
But she was overcome by the poetry that arose within her  
She informed her father that she was going to die if she can't marry Ramanan;  
What happens if the wedding doesn't happen? She was deeply devoted to the  
Poetry in Ramanan; her parents finally gave in to her will

## LOVE YOU

An exquisite affectionate sensation accompanied with the impression  
Of aroma and sweetness that might entice one another,  
The eagerness to see, hear, or make touch with  
The intensity of one's feelings, they coexist with suffering when absent,  
A mysterious, fragile force that calms and even delights emotions,  
Elevated spirit to create a miraculous intimacy  
That, the boundless trust that was formed, cannot be severed  
An amalgam of veracity plunges into one's head and entangles it  
On to the attraction's site, where a whimsical castle awaits  
Continued journeys to sensations of pure joy are amplified, it's divine.

## MILICA PAULUS

German literary giant and renowned Macedonian poetess

The radiant countenance, adorned with an eternal grin that never goes out

So much divine love fills the heart, and it flows endlessly

A rare gem of wisdom and compassion endures as an exceptional poetess

As a towering lighthouse on the horizon, a poet whose work is nothing short of beautiful

At the end of a rainbow of jewel-colored sand dunes, a paradise of

The magnificence of a poetess is enhanced by her kindness and beauty.

## **NO ONE LEFT BEHIND**

Before God, all are equal; every human soul  
Contains a tiny fraction of God; no one is left behind  
By God, all are so dear to God—humans to realize this.  
Great truth and act accordingly; love one another  
Irrespective of caste, creed, or color, and man must know  
Loving man is equal to loving God and Godly love  
Should spread everywhere in the world; it is what  
God wants from humans; love should be the basis.  
Of everything humans do, love-based human relationship  
Wonderful it is, and the earth becomes a heavenly paradise.

## **NOBODY IS WRONG**

Nobody on earth is basically wrong and  
Nobody on earth wants to be wrong, all  
Are innocent at the base of the soul but wrong  
Peripherally, all must realize this basic truth.  
Even the biggest culprit in the jail wants to  
Become righteous, but he can't; why is it so?  
When one tries to go to the corrective measure,  
Man is pulled back by a multitude of negative  
Forces, and at last man becomes slave to the  
Negative forces, and he can't escape from that;  
It is what is happening today; how to escape?  
World can't help Cos man is sunk in the worldly;  
Only God can help the erred person. What to do?  
Surrender wholeheartedly to God and develop  
Absolute faith in God, the rest man himself will do;  
Nothing good in preaching at the periphery, Cos  
The treatment of the diseased root is what is needed.

## OASIS

The wanderer found water in a fertile spot in a dry land,  
The most beautiful scene in a dry land was observed.  
A glimmer of hope appeared amidst the devastating circumstances,  
A strand of light emerged from the shadowy clouds in the sky.  
In the desert, under the scorching sun, the wanderer creeps,  
On the verge of death, suddenly he notices a rare collection of water  
The wanderer drank the water in peace and lay there for a long time.  
The miracle of saving oneself from impending death is remarkable,

## ONE HUNDRED TO ONE LOVE

The Almighty's love for all people  
Every love that we observe originated from God's love  
This affection spreads from one person to another  
But it was a diffused manliness and womanliness and  
Compared to love for the world, the purity of love is lesser  
The affection has strayed greatly from God; it transformed to worldly  
The human spirit is the medium, and it is both masculine and feminine  
Very few people try to explain God's love for people.  
In order to experience genuine love and connect with one's soul  
Very few have achieved success in matters pertaining to the spirit.

We all deal with peace at the periphery  
Never is it done at the centre, the origin.  
Have we ever thought of that? Never  
The fact is that the inner mind is the origin

Only with deep faith in God one gets into it  
Then only the inner mind gets activated

The passions for the worldly suppressed

## STARS THAT TWINKLE, NOT

Stars in the night sky twinkle with reflection.  
What is the reflection? It's the grace of God,  
What we all see are godly stars twinkling in the sky.  
People's ignorance causes stars to twinkle on earth  
Their sheer ignorance of many things makes them gods  
The inside of these stars are rocks, not grace from God  
Just like the stars in the sky; we should eliminate foolishness,

Within my life and brought me to the pinnacle of success,  
I am completely pleased and the happiest as I'm with Him

## THE COW MAN

The cow captivated him  
Even as a little boy, he had this one natural talent  
He has an unbreakable bond with the cow  
Once a couple is married and has a family,  
Lived side by side with his stunning cow, "Blackie"  
By consistently tending to "Blackie," he demonstrated sincere care  
He tends to her needs and is devoted to her company  
The association is moderately affluent,  
He found much solace and joy in her company  
The old man went into a nearby little room  
From his vantage point in the cattle shed, he can see the whole cow  
"Blackie" and time do not separate  
As the cow's caretaker and nurse, he lived in that room  
The fact that he subsisted on her milk and banana is undeniable  
They are completely dependent on one other;  
He remained in bed all morning.  
"Blackie" had broken, and she knew something was wrong.  
She snatched her rope, ran over to his corpse, flopped upon his coat.

## THE GREATEST REALIZATION

Understanding and merging with one's mind constitute realization  
How easy is it to understand the difference between the two  
Spiritually speaking, what is worthless and what is precious  
When you have complete trust in God, everything becomes easier  
A person realizes that all of the things in the world are perishable  
On a spiritual level, the earth and human bodies are less important  
Each one of them has a certain lifespan before rotting away.  
On the other hand, truth, the invisible God, and the Holy Spirit  
Are the most priceless and everlasting; upon this realization  
All things are to be accomplished in this world; the person triumphs.

Bravery that provided the soothing of human intellect,  
There will never be a sustainable faith; a driving force  
On human intellect, and it's the divine spirit that is the  
Driving force, it grows stronger with each passing day.

## THE INDIAN PASSION FOR CRICKET

The breathtaking, hypnotic allure of millions  
Craving the main thoroughfares in order to meet their champions  
Anger in the veins grows into a raging inferno of  
Delight and jubilation to savor the victory of the national team  
The charm of a game played by Englishmen,  
Famous among millions of Indians for its athletic  
And civility, putting aside distinctions,  
And quarrels between them, aimed against differences;  
The wonders of patriotism are unique  
To perceive the universal reality that cricket connects all people.

## THE INNER LIFE

An exodus towards God, through a thorny path  
Full of obstacles, realizing at last that the journey  
Is a process of purification where the traveler is made  
Suitable to be approximated to God; the weapon the  
The traveler used in the journey is absolute faith in God  
Which lifts travelers from falling in deep pits; with each  
Escape the faith is strengthened, and it becomes at last  
Unbreakable; the world and worldly separated from the  
Traveler and his internal senses open; the traveler uses  
Them in the rest of the journey; he develops passion for  
God; traveler is approximated to the vicinity of God and  
Develops direct contact with God; traveler comes to the  
Final realization that he is nothing and everything in him  
Is God only; he has only one duty to do, just to follow God.

## THE LOVE THAT NEVER DIES

A person's physical form is intrinsic to the concept of love

In all of human history, it has been the most enthralling emotion

There is an everlasting memory of genuine and true love

No everlasting or external force can remove it in the middle

No matter how much one tries to push it from their mind, eventually it will resurface

Regarding one's state of mind, this is the kind of love that can go on forever and beyond

Love shines brighter in the other when tragedy strikes one

Love is a transcendent emotion that transcends all material existence; it is eternal.

## **THE MOST FRUITFUL LIFE**

I write something totally different from what you see  
Activate your inner mind by developing intense faith in God,  
Absolute faith in God should be the strong base of your life.  
Once you develop it and proceed further against all the trials,  
Your inner mind is activated, and your body and outer mind  
Are deactivated; you follow only your inner mind, which is godly,  
You are in the world of godliness; your life becomes most fruitful.

## THE PAINTER

The artist Nalanan is a mastermind  
He has a drinking problem, drinks excessively,  
That is why living away from his house,  
He is a lonely lad lived in the woods  
He relied on Appu, who brought food from the  
Avenue; he created breathtaking artwork and  
Displayed them in the prestigious exhibits;  
Sales of his works were brisk. Their costs  
Are expensive, and he was quite irresponsible  
Existence and devoted the funds to purchasing.  
He depicted a stunning scene of a numb drunkard  
Tumbling to the ground and lying on road side  
That artwork sold like hotcakes after it was sold  
For an exorbitant sum; later that evening, he visited the  
Eatery and got drunk, fought with the employees,  
The folks working at the eatery were slapped  
He took several hard hits to the body and collapsed.  
It was midnight; he was unconscious; his clothing were torn  
They pulled him naked while they were engrossed in the  
Battle and position him next to the curb; the dogs on  
The streets are barking; it looked like the situation was  
As if he were completely engrossed on his most recent painting  
The unfortunate fate of every intoxicated person is like it.

## THE PANACEA

Humans should realize the truth of it.  
It's very true, the Holy Spirit says,  
The logic is very simple to understand;  
With the knife of unwavering faith in God  
The passion for the worldly is suppressed,  
The world and worldly are spiritually gone  
The passion for God is only developed,  
Humans are directly attached to God's vicinity  
Man becomes divine, guided by God only;  
Now man stands much above the worldliness,  
Man becomes immune to everything adverse  
Including the dreadful diseases; he withstands.

## THE POOR

Not having enough money to maintain a comfortable lifestyle  
Generally accepted as being OK by most people;  
The planet is home to millions of impoverished people, mostly  
Africa is gripped by an overwhelming amount of sorrow;  
Do not have access to sufficient housing or food;  
What gives rise to the global poverty crisis?  
It's the historical occurrence of "exploitation,"  
That particular group was severely lacking in the early centuries,  
The answer to this critical issue that humanity is confronting  
Can only be accomplished with the financial support from the major nations.

## THE POWER OF INTUITION

Natural comprehension and the logic,  
And deductive reasoning are not required for the  
Perceptually aware of one's inner spiritual state following the  
The technique of unwavering faith in God in mind, dissection,  
Because of God, the spiritually divided human worldly passions,  
Opened internal senses allow human being to perceive  
And convey the highest forms of spiritual wisdom; it's  
To a small extent, the unraveling of the mysteries depends on  
Intuition; for the sake of God, which is both precise and true.

## THE REAL WEALTH

It's not the outer wealth that God accounts  
They are all perishable, and having no life  
But eternal is the wealth inside that is exposed.  
To deal with the help of absolute faith in God  
Two things come out in the human mind: proximity to  
God and the close association with God—it's the  
Grace of God that is much superior to trillions,  
It's the real wealth that gives you all you need.  
It's the most reliable, confirmatory, and eternal.

## THE SENIOR CITIZEN AND I

On Thursdays, one may find me in the bank  
I noticed a senior citizen sitting that day  
Upon the stairwell ahead of the bank  
When he saw me, he became a symbol of love  
Showed me grace and goodwill when I enter  
Upon my return, he remained upright  
There he stood, wrinkled and withered,  
Concise features, drooping cheeks,  
No clothing for the feet, or chest  
Feel exhausted; on Thursdays, I would see  
There he was, and he was respectful,  
As for love, I involuntarily cultivated it,  
Love that defies words for him;  
Money was offered to him that day  
Which he graciously declined; I enquired  
Regarding the location, I was informed that he  
Is at home alone, which is the reason he is here  
As he sits here and watches the street below,  
It brings him great joy and contentment,  
When I asked him his name, he simply replied, "Mohammed."  
"Mummed Ikka" was the name I gave him, he revealed  
"Salim," he claimed to have a son, who was no more,  
Still, he bore an uncanny resemblance to myself and  
Salim is within me, he says. Our bond deepened,  
Gradually, a bond that cannot be severed  
We progressed; on that particular day, he patiently waited  
When it comes to fruits and sweets, I'm told  
Salim insisted that I eat today because it is his birthday.

The years flew by, the sweets disappeared, and our  
Bond solidified; on the day I was at my clinic,  
During a patient examination, a man walked into my clinic,  
In the consultation room, I received a letter; he informed me,  
Mummed Ikka was admitted that night after falling ill  
He sent a note to me on his way to the hospital and  
After that, he requested that they return it to me  
And he passed away; I read the letter and  
"Mummed Ikka is smiling at me," I thought as I gazed at it  
Desolate, I sobbed uncontrollably, my tears streaming down  
I was so distraught that I sat on the chair and read the letter again.

## THE SIXTH SENSE

Along with the five external senses, there are also the internal senses  
Those whose fantasies of the worldly get the best of them  
In certain places, the world and its concerns enclose these senses  
Having a strong belief in the Almighty the internal senses open  
Wow, these inside senses really perk up and become all worked up and  
They have the ability to understand God's hidden truths and mysteries and  
The secrets of the cosmos; these receptive interior perceptions are referred to as  
The sixth sense is often activated, but only in those in whom the worldly is gone.

## THE THEORY OF LEARNING

Being a guy, or a woman is all about  
Optimism: the conviction that things may  
And will improve, enhanced by people's hands;  
What is the life without good deeds is worthless  
People ought to live for the greater good; they ought to  
Charity; one's life's work should be to help other people  
Human existence; a quick immersion in selflessness  
Providing as much as you can to other people, and if  
Achievable by humans; it is the divine component of life.

## THE WORLD MUST CHANGE

For everything there is a core and a periphery  
The core is the nucleus, definitely the godliness  
The center is governing the whole of the substance  
With spiritual analysis, one comes to the conclusion  
That it's the tiniest part of God, as He only created it.  
The periphery is only the outer covering of the center,  
In humans, the center is the soul, the tiniest part of God,  
Human body is only an outer covering to protect the soul  
Humans should realize this great spiritual truth and  
Abide with it; every human should be fixed with the  
Centre that is the soul, or the tiniest part of God in  
Every human, not with the outer covering; the world  
Must change drastically, an inflow to the center from  
The periphery; it's what the present world needs today.

## THINKING BACK

Echoes of the gentle voice that lingered from the  
Heartfelt sincerity to mirror the beauty of love  
Resonating from the depths of love to soothe the soul  
Just like honey that drips steadily but ultimately fails to  
The resentment that might provoke hostility towards  
Selection of love's sturdiness and its fluidity, and its  
Rhythm echoes across the body as the reverberation, and  
Lovely are the echoes of the heart and its melodious beatings.

Finished with a solid foundation of knowledge, but facing  
All the world's resources, a loving father who cares children,

Always he is concerned with children's care and treatment,  
His calming presence and gentle caress as a savior,

Action of him is filled with kindness, and his speech is soft  
For the hurting kids, even it is a balm to all of them;

## UNEXPECTED

Unexpected are the ways from above,  
Expected stagger and it falls in between  
The resilience of love comes from above,  
Keep on waiting for it; it will come, surely.  
Make up for the reliance on it, wait, and wait,  
Thrilled with the beauty of unexpectedness  
The grace comes as rain pouring in heavily.  
After a draught so long, unexpectedly it came,  
Barely the doubts make the clouds darkened  
And thickened, and they fell down to enrich  
Hearts; it comes in plenty, so delayed, but it's  
Quite unexpected; all the best to everyone.

It's the full realization of God, His greatness, and holiness,  
If you know God fully, you have fully developed wisdom,  
That is enough for one to develop on the top of the world;  
Far away from the luxuries of the world, develop the urge  
To find God, by searching in your mind with faith in God;  
That is everything; you get everything in the world and the  
Other world, it's the eternity. The miracle of eternal love,

What exactly is the creator? What to be realized?

One ought to do; the righteousness and all the  
High morals are a reflection of God; this is the Truth.

## WHEN WE HAVE INTENSE FAITH

No amount of scientific research can ever master the human psyche  
How on earth could it be conceivable? Please elaborate  
Once the grime gets out, mental hardness disappears  
The intellect softens and becomes delicate and malleable;  
On a spiritual level, the higher echelons of one's intellect are holy and heavenly  
A person's mind can be elevated to this level and beyond the thoughts;  
It is easy to sense the sacredness and serenity of this place  
This component and the open deep senses can be linked with the mind  
Supervise this process—a miracle of God's presence on earth.

## OASIS

DR. K. K. MATHEW

One hundred poems, most with a mystical or profoundly spiritual tone, make the poetry book *OASIS*. The strength of these poems stems from their capacity to illuminate the inner life, teach readers about the God-centered existence, and encourage them to leave behind the sinful ways of this world and live a holy spiritual life.
