

A photograph of a winding path through a forest of bare trees. The path is covered in fallen leaves and has a wooden boardwalk section in the foreground. The scene is misty and atmospheric, with a soft light filtering through the trees.

## PREFACE

*Poetic Path* is my 35<sup>th</sup> poetry book. It is purely a reflection of my inner mind. Profound truth from the inner mind is revealed, and it serves as the foundation for these poems. An attempt is made to explore the mysteries of human life. It is realized that human life itself is a poem, and whatever is connected, it has a poetic feel to it. The most delicate feelings of the human mind are dealt with in a truthful way. The association of mind and nature is a matter of purity and holiness, and man can see the deep truths and mysteries of life with only his open internal senses. Most of the poems in the book are highly philosophical and mystical. The delicate human relationship and the beautiful link between the human soul and the human body are handled with great beauty. Some of the delicate subjects exposed and discussed include the poetic soul, poetic path, and poetic wisdom, which are discussed here with an eye on the inner truths.

These poems are the product of my inner journey and my experiences during the journey. What I could visualize on my inner path is reflected in these poems. Some of the poems have the potential to reach the most delicate realm beyond human thought and feeling. The poems are godly, and the words of God are delivered on earth through poems. The feeling of love is dissected, and the inside of it is taken to different spheres of life. The tenderness,

emotions, are mixed with human feelings and thoughts, and they come from the depth of the inner mind to beautify the yards of words. Even poetry heals the soul and the body, a great truth delineated in the book. For me, it is a thrill to write poems of the soul, and the act of writing poetry spontaneously gives my heart a lot of pleasure, and it gives my mind great energy, allowing my thoughts and feelings to fly. I request that the readers go to the depths of my poems and evaluate them.

## A LOVE LETTER

Embodiment of love studded with glittering  
Stones, each stone leads to a heaven of cheers  
And bliss, felt in the soul of the lover, united  
With the feeling of enjoyment above the world,  
Her heart blooms on reading the letter, fragrance  
Spreads, honey dripping in the soul, each stone  
Takes the lover to a different heaven with color,  
Beauty, and fragrance, where the lover would live  
Forever; the feeling of exquisiteness arising from  
The stones instill great contentment for the lover  
Of being with him eternally as each and every cell  
Of her dipped in the extreme feeling of love for him,  
The letter is sent in a dream as he is no more on the  
Earth, and the letter takes her to the heavenly abode.

## A MAN

Vigor, vitality, coupled with mental soundness  
And stability, make one a man, at the same time  
Nobility his core with magnitude of fidelity, love,  
And honesty; kindness centered on love with the  
Magnificence of agility, endurance, and tolerance,  
Make one manly; never tolerates injustice, always  
Fights for righteousness, dispelling the harshness  
And the rudeness; inquisitiveness, mental clarity,  
And aptitude for finding newer things, make man  
Great, generosity of mind makes him real human.

## A POET CAN'T STOP

A deluge of ideas and words strikes his heart  
With the undercurrent of divinity, he is being  
Carried away in the flow and swept to the bank  
Of curiosity, to look at sky and even heaven, and  
He writes with immaculate strength of the flow  
The thrust lifts him, much above to the horizon  
Of imagination to rain down with the anticipation  
Of imagery, and beautified with pearls of wisdom  
To come down to the depth of heart, the deluge  
Doesn't stop, he can't resist it, the continuous flow  
Makes him float over the deluge, he is helpless  
And moves with the flow till the deluge frees him.

## ABUNDANCE

What God blesses is in abundance  
The richness inside, while the world  
Can't give it, the real wealth of man,  
It's the God's grace that is enough for  
Everyone, it is thousand times more  
Than the billions, and the whole world  
Must realize this great truth, God is far  
Superior to anything in the world and  
Man to be attached to God with intense  
Faith, His grace in abundance, given to  
Man, and he is the richest in the world.

## ACCOMPLISHMENT

Life accomplishes the fulfillment of what  
It ought to get, the peace and contentment  
When heart reaches its line of controlling  
Everything, when life gains agility in arresting  
What it ought not to do, and accomplishing  
The realization of realities of life, executing  
The clearness of life, in a way to dissipate the  
Wrong deeds, with the excellence of mind to  
Be above the agonies, to accomplish stability  
Of mind and walk miles on the path to destiny.

## AN APOLOGY

The heart acknowledges regretfully what was  
Done wrongly, the assertion of the wrongness  
That is dismayed by the heart to recapitulate  
With the correction to be done immediately  
To reckon with positive attitude, not to sway  
Away from the right path, the hollowness of  
Mind is filled with the richness of correctness  
Absolute realization of the fall and the instant  
Readiness to jump from the pit, the regret for  
What went wrong, expressed in a positive way  
Not to be repeated, it places the person on the  
Road to success; the mind for correction is great.

## ARCHITECTURE

Something very new in heart and mind  
Ideas bloom above, fragrance sent below  
Too much enthusiasm to work out, and so  
Much allegiance to the creativity, the only  
Way to get the immense pleasure in heart  
That sings the great craftsmanship of the  
Almighty, mingling with soul, so stimulated  
New idea of designing comes, executing in  
A marvelous way, to cope up with a fraction  
Of the artistry of Him, the transcendence of  
His grace, culminated to the beauty of beauty.

## **BE AGILE**

Be agile in everything, the more  
Careful, the more successful in life,  
Laxity leads to fall as many pits are  
Around, some are so deep; look up  
And look down, get a guidance, life  
Becomes easy to handle, all obstacles  
Move away, the path becomes clearer  
New horizon of life is found and new  
Vision perpetuated, meaning of life is  
Felt, life gets a purpose, to think and  
Work, and taste the sweetness of life.

## BEYOND THOUGHTS AND FEELINGS

What is it, beyond the human thoughts and Feelings, is it possible for man to reach the Site, one might ask the question, very true The answer, one can very well get into this Sphere, if he has submitted himself totally to God and attached to Him with unbreakable Faith in Him, the passions and aspirations for The world and worldly is gone, his internal Senses open, visualizes the sphere beyond the Thoughts and feelings, the great achievement One gains on the earth, possible for everyone, The soul of this person lives in this sphere and His body becomes spiritually inert; it's the world Within the world, where one hears the words Of God, tasting and relishing Him, while the inert Body of him is with the miseries of the outer World; here the medium of communication is Perception only, he is filled with eternal love And happiness; the endpoint of internal search.

## **BLINDNESS TO LIFE**

Stealing is the devilish art that isn't  
Resisted; murder is the total blindness  
To the great value of human life; rape,  
The inability to control the excessive  
Sexual drive; attacking others, the total  
Inability to exercise the normal human  
Functions; all these point to looseness  
Of human mind, the instability, and not  
Sticking to its normalcy but directed to  
Divergent impulses and engulfed by the  
Extraneous negative forces, mind can't  
Escape from that erroneous paths; one  
Can normalize the defective mind only  
By stabilizing it with approximation to its  
Centre, the site where God resides; here  
Is the importance of prayer, God hears it.

## CLEOPATRA'S NOSE

Medieval and Renaissance literature lifted  
The queen sky high and her depictions show  
The big nose of her; the fine art of her take  
One to the top of imagination, bringing her  
In different art with a smaller nose, changing  
The history with more transparency of what  
All happened in the past, with upside down  
Change of the events, a total transformation  
Of the present world, becoming smaller with  
The attitude of filling hearts with more riches  
And goodness to combat all the darkness  
Around, to move on a shorter way to reach  
The goal of attaining prosperity everywhere.

## CONQUERING THE MIND

Human outer mind is an untamed wild horse,  
Taming it is the most difficult task on the earth  
Quite impossible to conquer it, almost all say,  
It is possible, out of the experience, very few tell,  
How is it, the question arises, science can't help,  
The process of doing it, is a long hazardous task  
Covering many decades, the continuous search,  
The dissection of mind with the scalpel of faith  
In God, it is the inner journey, there are so many  
Obstacles on the perilous path, where the traveler  
Jumps over the obstacles by holding on the faith  
So tightly, the faith becomes stronger and at last  
Unbreakable, the passions and the aspirations for  
The world and worldly are suppressed, outer mind  
Becomes so soft and flexible, and it can be stretched,  
Or elongated, or lifted, to the maximum, as hardness  
Of the mind was due to the worldly; thus conquering  
The mind, the greatest success achieved on the earth.

Copyright © Poetic Path, Dr. K. K. Mathew

## CREATIVE LIFE

Inquisitiveness the beginning, the search  
The secondary, body is active and the mind  
Is working all the time to scale new heights  
So many obstacles in front, mind won't rest  
Unless it subdues them, automatically mind  
Is alert to search even at night, the best time  
For it is early morning, so much of enthusiasm  
And happiness when the ripe fruits come, and  
Once finished, go for the next and the next, the  
Never-ending process continues till one can,  
So many come out, what a thrill in heart, not a  
Waste the life, the feeling comes; to be more  
Energetic, to stride forward and forward, never  
Having the rest, so much amused in life, each  
Moment so precious, I have to walk a lot further.

## CRIMINAL TURNS TO HEROINE

The practically unknown woman who has  
Slipped into crime and imprisonment due  
To undue pressure of the situations in which  
She was working, and was hated by the whole  
Population of the state; she is now being loved  
By so many, after her disclosure of all what has  
Happened, the sequence of events, how she  
Fell in the deep pits, how she jumped out of them,  
All these are articulated very beautifully in her  
Words of boldness, in what she wrote in book,  
Passed into the hearts of many with the image  
Of an honest heroine telling the truth, as if she is  
A savior of the state, all with her heart and words.

## CURIOSITY

Fascinated the mind with the curiosity  
To know more and more, with activation  
Of the insight to realize the truth, as it is  
Everywhere, hidden under the mysteries  
Of life, hard to visualize it as the untruth  
Covers the truth, the inquisitiveness only  
Explores it with the aptitude of loving each  
Other, the truth in everything is exposed  
Only to be revealed, it is nothing but the  
Love of God embracing everything, but it  
Is rusted by the darkening of love with the  
Intimidation of narrowed human hearts  
Only to dismay the trueness of God's love  
But the curiosity to make it the truth of  
Love and lifts one to the top of greatness.

## DEW

The purity of love that falls down from  
Heaven to transform the tragedy of love  
That has happened on earth and it cools  
Nexus of dirt, to participate in the feat of  
Goodness, it is to purify the depth of hearts  
And to mix with the darkness of the world  
To vaporize the atmosphere of earth and it  
Accentuates blessings from above to look  
Into depth of souls and nullifies the untidy  
Ways of life, to fly to horizon of brightness  
Earns transcendence of purity everywhere  
In every nook and corner of earth and instills  
Fragrance in every part of the darkened love.

## DIAMOND LOVE

Diamond ring around finger, shining  
Never it's tight or loose, on the finger  
Always; seeing it, heart throbs, soul  
Pulsates, twinkling in sleep, diamond  
Comes in dream like stars in the dark  
Sky, neither storm nor torrential rain  
Spoil it, even swimming won't take it  
Away from the finger, it doesn't need  
Any nourishment to be with the person  
Till his end, even it lives in the coffin as  
It's with the finger, never gets out even  
For a moment, with the bone till it gets  
Disintegrated, but the diamond shines.

## **DILIGENCE**

Very careful and persistent, one's approach  
Towards life, too tiny or nil, the lapse of mind,  
Agility the core and utmost concentration for  
Everything to be done; it pervades the mind to  
Accommodate itself to any crisis in life, the apt  
Correctness of life to be made without wavering  
Of mind, it lifts mind to the utmost stability, with  
The attraction to all goodness that spreads in and  
Out and looking for the beauty in everything that  
Is dealt with; conscientiousness is part of diligence,  
The mind brings perfection in everything done to  
Be bestowed with the magnificence of artistic life.

## DON'T WORRY

“Don’t worry. I’m enjoying heaven.  
I love you guys. I’m alright. You shouldn’t  
Worry more” the words of the brilliant  
Youth who was facing death in ICU of a  
Hospital in India; he is Munnas, consoling  
Others, his parents, friends, doctors, and  
Nurses, with a divine smile, telling the whole  
World with the consoling words written on  
Twenty five pieces of tissue paper, while  
Meeting with death in hospital; the words  
On the pieces are the jewels of hope and  
Joy to be studded on every human mind  
To think and tell “why should I fear death?”

## ENTHUSED

Glory of heart brought with stimulation of  
Soul to happen when inspiration comes, a  
Matter of excitement with its spontaneity  
Arises, that takes body and mind to the top  
Of sweetness to be relished by heart for a  
Variable- time, running away from agonies  
Of life, forgetting the darkness, mind is well  
Trained to accept only the brightness, a ray  
Of hope at the far end, to reach it becomes  
The dictum of life, holding it so tightly, never  
To leave it at any time, to be enthused always.

Copyright © Poetic Path, Dr. K. K. Mathew

## ENVY

The damaged heart that works on others  
To push them down in their prosperity,  
Never healed, becomes active day by day;  
How to suppress the evil, a big question  
It's only by realizing the reality, the truth,  
Soul of every human being is godly, and  
A tiny part of God, soul is the real wealth,  
It is eternal, while outer wealth is valueless  
And perishable; regarding the inner wealth  
As very durable, everyone is equal, the same,  
The realization will nullify evil spirit of envy.

## **EXTRA WORLD**

Apart from the world around you  
Another world to be developed in  
You, after great efforts done with  
The great faith developed, with the  
Purification of heart and mind, the  
World of gentleness and divinity,  
The world connected directly with  
God, which everyone must try to  
Gain, the prime aim of human life;  
The extra world works for you with  
All wonders, the super human one.

## FISH

Love in water moves around with the  
Magnificence of God's love, delivered  
In heart of water with the sweetening  
Of that love for others, making water  
A paradise of love, feed mainly humans,  
Masterly fulfillment of God's love to be  
Infused with great sacrifice only at the  
Height of agape, the beauty flourishes  
And then perishes, the great artistry of  
God in creating the specimen of fish and  
Its offspring multiplies like the sand on  
The beach and with the magnanimity of  
The harmony of existence, the beauty of  
Love and taste of kindness, all from water.

## FOOTBALL WORLD CUP 2022

The healthy game to be fetched with love  
And friendliness, quite unexpectedly goes  
The fate, hope blooms but shadows smile,  
Elevation of mind, at times descends, some  
Of the idols boost the enthusiasm, heroes  
Never detached from the depth of mind, not  
Love alone but adoration makes many gods  
On earth, living with them in heart is a bliss,  
The artistry of playing the game draws many  
To the top of enjoyment, that will never fade.  
Tears fall down at times, distress fumes, agony  
Downs, anger burns, and heartbroken so many,  
Penalty fails, goal posts shaken, it saves and it  
Squeezes hearts, love among few is disturbed.

## **FORGIVENESS**

Reality to be realized, all troubles due to  
Ignorance only, each and everyone is love  
Only, God is love, and the universe is love,  
No loveless humans God created, hatred and  
Hostility are man's creation only, but man is  
Accountable to God only, the greatest love  
To be showered on everybody; excuse the  
Big ignorance and think of God only, it's the  
Great realization as it's bringing back the love  
On earth, the fruitfulness of love that is from  
God, flowed everywhere; what man- made are  
The enmity, the hatred, the hostility, washed  
Away by the reality of knowing the truth and  
Bringing God on earth, the great realization  
To exist and forgiveness flourishes everywhere.

## FRUITFUL

The thick of indifference creeps in  
For the plant that looked wild, to be  
Removed anytime and the intention  
Of cutting it, but luck sweeps across  
The plant, and let alone as neglected  
One that dozed all the time with the  
Facing of dislike and inattention, and  
Branded as the useless one, a waste;  
But unseen the pale plant without any  
Manure and water, in solitude, burned  
Under the hot sun, didn't die off, but  
Somehow or other survived, likely to be  
The incredible hands touching, started  
Growing merrily, going high and high  
Without anybody's help to big tree with  
Thick leaves and many branches, giving  
Shade to numerous birds, and the weak  
Humans sitting, relaxing, under its shade,  
At last beautiful, colorful, edible, and so  
Sweet, fruits start hanging on the twigs,  
People fight to pluck the fruits, the tree  
Stands majestically, with head elevated.

## GAMES

Body and mind together at a point to  
Deliver maximum concentration, to bring  
In flexibility of muscles with synergistic  
Sharpness of mind, to execute at every  
Moment of the game, the elegance of the  
Execution brings about transcendence of  
Willpower to strike, and it is tightened to  
Put everything in the game, the running  
Of a machine felt inside, everything goes  
On smoothly without any friction, mind  
And body work, the player feels like a  
Deer running rhythmically and musically.

## GLIMPSES OF MEMORY

Never to meet her again in life, heart  
Whispers, the agony of love he feels,  
Never, he wanted the emptiness, but it  
So happened, the transcendence of love  
Decades ago, can't be forgotten, the more  
He tries to forget it, it comes so quickly in  
Mind, he has been feeling the sweetness  
Of pain so many times in his ascendance,  
In a way it's good, memory is so powerful  
Than the actual presence, so energetic is  
His vision of love as memory is a part of it.

## GOOD MORNING

The nightmare is gone, darkness fades,  
The hope of light comes with calmness  
At its best, consciousness sparkles with  
Elevation of mind, gradually picking up,  
More of energy flows in, the memories  
Have a tune, everything comes sweetly,  
Hardness of the past blooms to flowery  
Feeling, heart is tempted to sing beauty  
That is cherished for long, top of cheers  
Comes spontaneously, courage gradually  
Creeps in to face the troubled world, it is  
Felt easier, toughness melts, gentle breeze  
Cools body, faraway from all the tensions,  
Imaginations bless, wonders that may come  
From above make my mind euphoric, bliss  
Spilled in my soul and I wish it to everyone.

## HARDENED, THE MIND

How cruel is it, a Kerala man kicked  
In the chest of a six-year-old migrant  
Boy who was leaning on his stationed  
Car, the poor boy was hospitalized with  
Injuries; love, humanity, and kindness,  
All few away from the society, leaving  
Behind the excessive pride, egotism,  
And self-belief in the accumulated own  
Wealth, that lead to, looking down on  
Others especially the downtrodden and  
The poor, thinking that they are the kings  
Of everything, highly elevated to the sky;  
How silly these people, quite ignorant to  
The realities and truths of the life; it is the  
Most dangerous movement in the society  
To be condemned, with genuineness of mind.

Copyright © Poetic Path, Dr. K. K. Mathew

## HEAVENLY LOVE

A lot of love and prayers,  
Not body love, as the body  
Is worldly and perishable.  
No need to see the lover  
As love is in heart and soul,  
Love never swells, as heaven  
Dwells in the heart and soul,  
Doesn't need anything back  
As love isn't a business or to  
Be exposed outside; the love  
Is divine, to infuse godliness.

## HOW CRUEL A GIRL CAN BE

An educated girl poisoned a boy,  
Her lover, whom she had married  
Secretly, believing the words of an  
Astrologer that her first husband  
Would die; she was engaged to wed  
Publicly a youth a few months later;  
The lover died in a hospital casting  
No doubt on the girl whom he loved  
Genuinely; how cruel a girl can be, the  
Hearts are made of stones in some of  
The girls who aren't bothered about  
What would be the outcome, evils of  
The society come out without any cover.

## HOW TO FIND GOD

Take from me, there is a world  
Within this world, much clearer  
Than this outer world, sharper  
With vision, hearing, and smell,  
A great reality; man exploring his  
Inside, a kind of dissection of the  
Outer mind with the scalpel of  
Absolute faith in God, passion for  
God only developed, expelling the  
Aspirations for the worldly, the  
Deep senses open, seeing and  
Hearing with them; now you are  
In a world of beauty, beyond any  
Description, at its center is God,  
Feel, taste, and relish God there,  
You have now only one duty, just  
To follow God, and live with Him.

## HOW TO LOVE

Not directly, love man or any creatures  
Of God, as human love is a tiny part of  
God's love, that is the most selfless and  
Pure love; love God first, direct the love  
To the humans only through God, humans  
Then look totally different; you now send  
Godly love to them, a great change in the  
Present love, all the goodness of pure love  
Brought in, and all the evils of human love  
Eliminated; love others only through God.

## HUNGER

Many struggling to live, having been  
Born on earth, having every right to  
Live, but very little or nothing to eat,  
To keep the hearts beating; only the  
Skeletons, no flesh, the specimens of  
The biggest tragedy on earth; more than  
That, some are lying and sleeping on the  
Golden coats studded with the Jewels,  
Luxurious feasts every day, the waste  
Can feed thousands of hungry, what a big  
Contradiction, never to be justified in  
Heart, but the word 'equality' is flashed  
Everywhere, and nothing is being done  
But aggravates the gulf between hungry  
And the over-enjoying; unless the filling  
Of this big gap done, the hunger will never  
Cease, the rich becomes richer, the poor  
Becomes poorer, the ideology of equality  
Gone, more skeletons accumulate in soil.

## I CAN

I can with thy will  
I can't without thee  
The slogan of heart  
That lifts me up from  
The deep pits where  
I was about to fall.  
Thy will, my strength,  
With thee, I could  
Build up on obstacles  
Everything made easy  
No blocks before me  
Now I like the thorns  
On my path, as I feel  
They kiss me; nothing  
Impossible with thee.

## IDEAS

A little more than what is needed  
When ideas dance, and you are in  
Contact with the reality of love, of  
What God has created, the original  
Without of any artificiality of what  
Man made, the wonder of creativity  
Of Him, a marvelous innings of life,  
Just seeing it with heart is more than  
What one possessed in the whole of  
His life time; taste it, relish it, the real  
Enjoyment, sweetened by His creativity.

## IN CONVERSATION WITH GOD

A great reality, the trueness of extreme love  
If you could love God more than anything in  
The world, quite possible when your faith in  
God is intensified, while passing through the  
Tribulations countless, and winning over them  
With your absolute faith, that is strengthened  
With each win, the passions for the world and  
Worldly gone, the barrier between you and God  
Is crushed, you are approximated to God, deep  
Senses in you open, you see and hear with them  
You hear the words of God with deep ears, you  
Visualize with deep eyes and the magnificence of  
Beauty you see, which never seen before on earth  
You converses with God with the deep senses, you  
Talk to Him and you hear His words, the true bliss.

## INDO-PAK CRICKET MATCH

More than a cricket match, the last contest  
Between them for cricket World Cup T20  
Showed the whole world, the greatness of  
Perseverance, resilience, and determination,  
Of the player Virat Kohli, who single- handedly  
Lifted team India from the brink of imminent  
Defeat to the glory of miraculous, unbelievable,  
Victory, the great story of escape with resilience  
And determination, teaching the world, never  
Lose your hope, even on the brink of imminent,  
Total disaster, your determination and the great  
Willpower will bring the unseen and incredible  
Hands of God to hold you safely, and save you.

## INEXPLICABLE

Inexplicable and indescribable, your love  
For me, my Lord, like the eternity or the  
Sky, no beginning and no end, extreme  
Your love that blossoms in my heart with  
Contentment of feeling you, cherishing  
You, daily with the pursuit of tasting you  
With heart, the sweetest ever, and the  
Most fragrant too, even in sufferings and  
In miseries, the truth one experiences only  
Always, with the feeling of flying in heaven  
And visualizing the most beautiful that is  
Never seen on the earth, the magnificence  
Of your love, a mystery always in my heart.

## INFUSING CALMNESS

Too much of heat fills the heart  
It's burning with fire, the wind  
Causes the flare, no manly effort  
To put out it, dark thick clouds  
Assemble in the sky, tears from  
Heaven drip down first, and start  
Pouring down, fire extinguished,  
Coolness spreads inside, heart beats  
Normally, only the raindrops bless  
But man can't, normalcy of life rides  
On a thread tied above the troubles  
Of the world, unexpectedly troubles  
Shoot up, narrow escapes too often  
As thread is pulled up by the gentle  
Breeze, again cool the heart, and soul  
Soothed; man always to look up for  
Rain or breeze, they come quite often.

## INNER VISION

Blind to be happy, inner vision is much brighter  
Than outer vision, one sees the glory of vision  
With his naked eyes closed, his inner eyes open  
He sees inner world vividly, if his faith in God is  
Intensified markedly, and the passions for the  
Outer world are subdued, and he sees with them  
Inner world as well as outer world, a matter of  
Great significance for those heartbroken with  
Outer blindness, never to be depressed, in fact  
The glorious melody in them visualizes and it  
Relishes magnificence of great vision that can't  
Be seen with outer eyes, but with that vision they  
Can perceive the outer world more significantly,  
Great joy for blind, for the vision of magnificence.

## INTRIGUING

Intriguing one's concern for others' whereabouts  
Not studying well on one's own footings, the cause  
For one's hollowness inside, where he dwells and  
Throwing stones at others around, the phenomenon  
Of justification on injustice, trueness is rolled out  
And selfishness introduced in one's own ideologies  
With harsh sentiments for other's progress and  
Prosperity; the decay of the society, the country,  
And the world, occurs; the straightforwardness with  
Selflessness, is the key, the base for every success,  
Happiness for others and prayer, the sign of greatness.

## IRONY

What is intended, the result is opposite  
What is in mind, and the different result  
What one utters, that is oppositely done  
Instability of the mind only, that it shows,  
Good intentions torpedoed by bad deeds  
Man is born innocent, the opposite occurs  
Distance from God causes all the misdeeds  
Divinity and purity gone, humanhood stays,  
Near to God is the solution, man to know,  
Dirt all to go, snow in abundance to come,  
Purity of heart, straightening of mind, rectify.

## JOHN KEATS

Romance weaved the carpet of love  
Deep in heart, adorns soul, with the  
Picturesque of the most delicate and  
Tender filaments of music embedded  
In it, to sing multitude of sweetness  
Tasted, and the pleasantness of prick  
By thorns on the tender heart of love  
With the attitude of the sadness that  
Is mixed with all glory of love the poet  
Of heart and soul makes, fetches drops  
Of honey in every human soul, to be  
The wealth of human heart, and makes  
Everyone filament of love with all its  
Glory of sadness, melodiously echoed  
The music of love that floats eternally.

## KERALA

An exquisite land of happiness  
Nature is visible with art of God,  
Love at the helm with the people  
No demarcations for the humans,  
Elevation of culture boosts hearts,  
Coconuts and paddy, beautify land,  
Backwater and country boats, thrill,  
Peasants, laborers, are the backbone  
Coir, Silent Valley, are soul- stirring,  
Artistry of mat- making, so amazing  
Richness of heart and mind-blowing  
A truth once; God is to save His Own  
Country, and keep its great heritage.

## LAND OF SOUL

Land of godliness, land of divinity  
Where everything is pure and holy,  
Spotless, everything clean and tidy  
Music of love and kindness, heard  
And the beauty of it is indescribable;  
Sweetness at its best, is tasted here  
Fragrance extreme felt, it intoxicates,  
Sands are gold and jewels glittering,  
Everything felt with internal senses  
My soul is floating in the vacuum of  
Eternity; I feel, God is at the center,  
Full contentment caresses my soul,  
I didn't see these in the outer world.

## LIONEL MESSI

The incomparable footballer now, secondary only  
To Diego Maradona in history, my reading, Messi  
Is making the football play, an artistic painting with  
Magnificent inborn talents displayed, with beauty  
Of the rhythmic running of the skilled deer, with the  
Loading of full energy in thin frame of human body  
And unimaginable athletic race with the twisting and  
Dancing, filling the human hearts with unique, godly,  
Craftsmanship of exquisite images and with the heroic  
Instillation in mind, with love, or respect, or adoration,  
An unbreakable attachment with him, to be drawn  
From the maladies of life to the apex of immaculate  
Sweetness and happiness only to be raised sky- high  
With contentment and pride, derived from the image  
Of the undisputed king of football today, Lionel Messi.

## LIVELINESS

Mind should be happy to be lively,  
Body alone can't do it, to be infused,  
Tranquility of mind with input from  
Above only makes it; laziness is gone  
Too much of comforts inside, to feel,  
To taste, and to relish; mind is active  
To stimulate body, transcendence of  
Energy in soul and mind, transmitted  
To body; liveliness from above blesses  
Human beings, to be stationed above  
The pain and sufferings of the world,  
Link between man and above, the crux.

## LOVE BLEEDS

So much of love in heart  
And that much in soul too  
Magnificent the closeness  
Of the lovers, both of them  
Fixed with each other and  
Inseparable, love blossoms,  
They tasted its sweetness,  
Fragrance intoxicates them.  
One bleeds in heart as the  
Thorns pricked it, soul of  
The other is torn; volcano  
Erupted outside with lava  
And it flowed down, lovers  
Were swept away, burned  
To ashes; the ashes together,  
Powder of love flies in air.

## MARRIAGE PROPOSAL

A lot of hue around when proposal made,  
Examination, cross- examination, addition,  
Subtraction, and multiplication, done with  
Culmination of theme with the conclusion  
That “somewhat okay” but few, compromise  
With the wish, but others torpedoing all the  
Expectations, bringing new horizons of love,  
Quarrel, and hatred, with the culture- based  
Anomalies, ending in break away, or not to  
Do that with grudges, only prolonging all the  
Agonies; the lucky ones live together happily  
Till the end; one should realize, why is it so?  
Basic defect to learn, the beauty is the inner  
Beauty, not the outer one, and the worldly  
Wealth is perishable, and the marriage is a  
Heavenly made unification; knowing each  
Other before, the best amalgamation; each  
And everything to be single, no affinity for  
Carrying additional burden, the thinking of  
Many, but the united bearing of the load,  
That too many prefer, the life is bifurcated.

## MENTAL BEAUTY

Cheerful mind is at the helm of its beauty  
With its softness and gentleness, musical  
Its work, thoughts arise from the sweetness  
Of the mind, too much of love embedded  
With anticipation of kindness and hope, to  
Deliver the truth with the magnificence of its  
Beauty, to perceive the loveliness of feelings,  
Delicate they are, ideas of wisdom creep in,  
Fragrance of love felt, transcendence of truth  
Beautifies mind with the presence of blooming  
Flowers which mesmerize the mind and soul.

## MESSI VS MBAPPE

Talent is identical to skill, dribbling ensues,  
Exceptional speed clashes with each other  
Both center-forward meeting at the center  
And flying to the opposite goal posts, melody  
Of love in between them but they pull it apart  
To the healthy rivalry, competitive high speed  
Races to the opposite direction, each moves with  
Twisting and dancing, attractive gymnasts with  
Excessive taming of muscles, with sharpness of  
Mind, so much of enthusiasm to strike and head,  
The ball plays the trick of moving fast and flying,  
Running past many and striking the ball with much  
Accuracy, make one excel over the other, the fine  
Artistic painting of the clash makes the wonder of  
Assessing one with a kiss for the other and talents  
Getting absorbed in skills; the winner is luck only.

## MUSIC

Love in purity, showered from the heights of  
The transcendence of beauty and with honey  
From above added to it, the sweetest beauty  
Showered upon the human hearts to dance  
With the impending love, subdued with the  
Amplitude of magnificent tranquility, instilled  
In the depth of human souls, illuminated with  
The brightness of light to awake the existing  
Mind to be taken away to the road of infinity  
And immersed in the sweetest honey of love.

## NATURE

Heart of love of God  
Beauty of love of God  
Sweetness of God's love  
Fragrance of godly love  
Colors of His truest love  
Purity of His great love  
Music of His divine grace  
His presence on the earth  
To enlighten every heart  
To relish Him, taste Him  
To alleviate pain and grief  
To make man awakened.

## **NEVER UNDERESTIMATE ANYONE**

Lionel Messi is in tears, the glorification  
Of him came to a standstill all of a sudden;  
Never underestimate anyone, all are equal  
Before God, nobody is superior, nobody is  
Inferior, each and everyone was created  
By God in His image, never be egoistic and  
Never have the inferiority complex, have  
The confidence in you, as you can, anyone  
Can; be optimistic, have faith in you and  
Do for the best; you can very well achieve.

Copyright © Poetic Path, Dr. K. K. Mathew

## PEASANT

Playing with the soil, the artist of the  
Nature, his love for the soil is extreme,  
Sowing, planting, maneuvering, what not  
He lives with the soil, nursing the plants  
All the time, watering the plants, hugging  
And kissing the crops and fruits, heart and  
Soul with them with thrill of looking at them  
Harvested, sweet melody of nature in heart,  
Deep love between man and earth, blooms,  
Feeding everyone on the earth, and making  
Others rich, but he is neglected, becoming  
Poorer, and the earth is weeping for him but  
Nobody to hear the cry, he is peasant always.

## POETIC PATH

Having a poetic mind, poetry everywhere  
Poetic the life, poetic all the paths ahead  
Poetry over the adversities one faces and  
Smile over the tears, my heart recites poetry,  
Soft, melodious heart becomes as it tastes  
Poetry, agony sinks and beauty comes up,  
Always the soul of poetry intoxicates mind  
Too much of imaginations rain in heart and  
Heart beats melodiously, a poetic heart with  
Poetic life infused with beauty and fragrance  
Everywhere, heart always sings poetic love  
Transfused with energy of love that sparkles  
In the glorious sunshine mixed with feelings  
Of music sung by soul, joy becomes poetic  
Peace is poetic, words of beauty thrill my life.

Copyright © Poetic Path, Dr. K. K. Mathew

## POETIC SOUL

Soul of poetry has eyes which visualize  
The interior of universe, much divine it is,  
The realm of godliness seen inside, taking  
The fact that it is the deep vision inside and  
It passes through depth of the truth inside  
And imagination combines with it, making it  
A harmony of love with the Almighty and the  
Power of God is felt here, it is purely poetic  
Soul that has power and vision, too much to  
Say, it is the tiny part of God, coming from the  
Soul of poetry that is tranquil and holy; God  
Is in every poetic soul, felt to those immersed  
In the depth of it, transmitting light in every  
Human heart, mixing with the love in heart,  
And magnificence of love produced in every  
Human, it is the transmission of poetic love  
Between man and God, the image of poetic  
Vision that projects the truth of love on earth.

## POETRY HEALS

Reality comes, never exaggerate anything,  
Poetry heals, it's the treatment of diseases,  
It touches the body as well as the soul  
Essence of each poetry is soulful, that comes  
From heaven only and the truth is, the soul is  
Godly, a tiny part of God, essence of poetry  
Touches the soul, the soul is stimulated and  
Thereupon the godliness of the soul acts on  
The body, healing takes place, the mechanism  
Of it, and it will never err, the poetic healing is  
A melodious treatment, quite natural, God is  
Acting directly; with all its beauties and all its  
Sweetness, the poetic honey is falling on the  
Highly painful sores, the rainy wetting of the  
Torn heart as well as the body, transcendence  
Of quietness soothes the weeping wounds, the  
Agonies all run away, a quieted heart and body.

## POETRY IN EVERYTHING

What all in the world, poetry in them,  
The anger, hatred, hostility, envy, all  
The bad elements as well as the good  
Things, love, honesty, faithfulness, the  
Nature, in everything on the earth, but  
Covered with the haziness of the world,  
Poetry with music deep inside, better to  
Find it, search is the need, inquisitiveness  
Explores, always to relish everything good  
Or bad, the poetry inside can change the  
Bad to good; accept the bad too and make  
It good, definitely better than the good, God  
Is truly a poet and He has created everything  
Poetically, but man shaped some awkwardly.

## PRAYER IS ENOUGH

Injustice seen around, everywhere  
Mind reacts severely, can't contain  
It, want to react outside, but feeling  
Comes, "if I alone bark, I can't change  
The system, nothing will happen, as  
So many explanations to justify the  
Gross injustice, I only lose my energy  
I will become a rebel to so many as  
They are blind to truth though they  
Know it is very true; I shouldn't react  
Outside, let the protest take place in  
My mind only, after some time mind  
Will become calm, what I must do is  
Pray for elimination of the injustice".

## PREDICTION

Say things to happen in future, an  
Assessment, never go to failure, the  
Feeling, never the contrary to happen  
As the brightness of life on the cards,  
Or the failure to come, whatever it  
May be, the mind says so, a surety of  
What would come, a sort of thinking  
For the future, life ahead of thinking  
Is a mirage, hard to reach it, but hope  
After hope, that comes from the depth  
Of mind, leaves behind the truth of the  
Life to be amalgamated with the trueness  
Of mind and the power of mind blossoms  
With the attitude of becoming the next day  
Or thereafter, for sure, it comes in reality.

## PRODIGY OF LOVE

An exceptional in the normal phenomenon of love  
Never shown outwardly but very deep in the soul  
Always mixed with God's love, only through God  
The phenomenal love marked with intense prayer  
Never expects anything back but providing own soul  
Love has merged with the intention of loving God  
Ready to do sacrifice as a mark of inner monument  
Floating in love and flying with love, never on earth  
The sweetness of love is more than conquering world  
All is necessary to build the heart and soul to the top  
Touching the sky and the heaven, never comes down  
Glittering in silence, in solitude, the brightness of love.

## PROPHECY

Words from the inner heart of a person  
Who has merged with God, with intense  
Faith in Him, the dwelling of His spirit in  
The person who commands the wisdom  
To deliver the godliness to everyone, he  
Comes across, he carries divinity with him  
He hears the words of God with his open  
Inner senses, to acquire, store, and deliver,  
For enlightening human senses, or to advise,  
Or to warn, and to be corrected if necessary,  
And deliver words of delight for future with  
Input of divinity from above, it's a matter of  
Extreme willingness to show all the signs of  
Proclamation of God with the noblest way  
Of influencing the hearts, to obey the words.

## RAINDROPS

Love from above falls down as crystal  
Drops with the soft music of the sky  
Blackened with the dark clouds filled  
With heavy crystals, infused with the  
Love of heaven, soaked with aptitude  
Of dropping down in musical rhythm  
Tears of joy from heaven had dripped  
In dark clouds falling on the earth with  
Purity of love flowing everywhere on  
The earth, the harshness of soil is gone  
The rudeness of hearts is softened with  
Cooling of souls, heartiness of love wins.

## REFRESHING

The attitude of love refreshed as it is  
A beam of heart that blooms with the  
Fragrance and intoxicates every brain  
With the hope of, heart refreshed every  
Moment and to discharge sweetness to  
Sweeten every thought that comes up  
In mind, and rejuvenates the mind with  
The value of all goodness, expelling the  
Dirt that has blackened the mind with  
Darkness and has fallen with the twist  
Of perversion, all subside when beam  
Spilled in, the willpower refreshed and  
Strengthened, to stride forward with the  
Hope for a bright way of living with love.

## **RICHNESS**

The quality that is something great  
And deep, to come from the Almighty  
Only, the exquisiteness of highness  
That stays over the qualities of extreme  
Gentleness to peep through discoveries  
That may converge to the heavenliness  
In what is thought and what is done,  
A matter of richness in everything that  
Comes from the depth of mind, a sort of  
Abundant wealth inside a human being,  
Richest on the earth as his mind is elevated  
To heaven, all his qualities are highly precious.

## RISHI SUNAK

The British parliamentarian with Indian origin  
Elevated to the coveted post of Prime Minister  
Of Britain, a great sign reflecting the open mind  
Of the British people beyond the evils of racism,  
Discrimination; the magnificence of humanness  
Visualized here, a foreigner is recognized as the  
Topmost man in an aristocratic country, a sweet  
Irony in remembrance of that country ruled the  
Country from where grandparents of the new PM  
Had migrated, the sweetest revenge for some of  
The bitter moments in one's mind; forget the past  
And look for a bright future, the dictum of the hour.

## SANITY

Nobility to fly in a rational manner,  
It flows with logic of normalcy, and  
Purity spreads in heart with aptitude  
Of love and kindness, never loveless  
Towards anyone and mind works with  
The interest of harmony with everyone,  
Logic of softness in mind, soundness  
Thinks in a way what the soul tells with  
The prudence of what may come with  
Benefits of mature heart, and fragrance  
Of soul; heaven is brought down, smell  
Of harmony spreads with normal mind,  
It boosts tenderness to do with attitude  
Of stable mind and it is never to waver.

## SELF- LEARNING

Self-learning, the aim should be,  
Mind needs concentration and  
Silence to perceive, the essence  
Stored there; more time, it makes  
The essence of the data sharper,  
It makes the mind stronger for  
Perception and makes it suitable  
For action, the cycle continues  
So smoothly and uninterruptedly;  
Moreover the additional intuition  
Adorns the storehouse of the mind,  
Perfect self-learning needs utmost  
Concentration and good perception.

## SERVICE

When heart and soul for others to live  
You being a candle glowing for others  
You turn to nothingness and God fills it  
God always live in nothingness when  
The world and worldly gone in humans  
Simple way to be filled with God, what  
Is in you, is vacated for others especially  
The poor and downtrodden to have the  
Primary need to live, to alleviate their  
Miseries and sufferings, but God fills you  
With everlasting blessings, invisible it is,  
It can't be measured by the scales of the  
World; what is seen today the service  
Get or collect money from others, from  
So many, amass it, distribute to others  
In own name, not touching own wealth,  
Utilizing it for own comforts; what is it?  
Ask your conscience, is it the real service?

## SIMPLE LOVE

Beautified love heavy, goes down or falls  
On the earth or down below the soil, can't  
Arise; but the simple love, too simple and  
Too light, floats in the air, may fly very high,  
Even go to the sky and beyond that, never  
Comes down, floating and arising, it moves  
Sweetly in the gently wind; and soft, gentle,  
Music echoes when the wind strikes at it,  
Simplicity its core, too faint and subtle its  
Character, musical its flight, and unnoticed  
All the time, it brings the simple hearts unite.

## **SIMPLEST ANSWER**

Upholding God is the simplest way  
To solve all the problems in the world  
Whether it is personal, social, political,  
National, or international; all problems  
Solved in seconds, the answer to every  
Question asked, to suppress all troubles,  
The simplest way to express the greatest  
Truth of all time, to be infused in every  
Heart, even blindly believing it if one has  
No experience in this regard; what is it?  
Realize fully, God and what He gives are  
Far superior to what the world gives, joy,  
Wealth, power, and enjoyment; if anyone  
Realizes it, believes it, God will guide him.

## SITTING ON LOVE

With love, on it and in it, magnificent  
Way of living, as it subdues worries and  
Pain, with the magnitude of consolation  
And relaxation of the burden with undue  
Tensions that spoil mind and body; love is so  
Soothing to heart as well as to soul, and the  
Opposite shouldn't happen; never burn the  
Mind with the fire of hatred, enmity, and  
Envy; all these won't go along with the love;  
With love, means discarding all these hard  
Elements, as love is so soft and delicate with  
The wonder of living harmoniously among  
People, among even people having different  
Vision, ideas, and ideologies; what one needs  
Basically to live in this world is to enhance the  
Delicacy of love, and try hard to suppress all  
The negative feelings that spoil the humans.

## SMILING

Many are tensed when the good or bad  
Come in life, in a way tranquility of mind  
Is dissipated, the fear is there till the end  
Apprehensions engulf the human mind  
Confusion prevails, peace of mind eludes.  
Stability of mind is needed to tackle the  
Confusion that is fuming off and on, and  
Absolute faith in God, steadies swinging  
Mind, it cuts apprehension into pieces to  
Welcome mind to the vicinity of God, man  
Gets the great faith that God is with him  
In all the tribulations that might come in  
Future, or that has already come, and the  
Truth is that his acquired willpower, lifts  
Him above all the troubles that might pull  
Him down, he is blessed with the hope of  
A bright future ahead of him, and he smiles.

## STILLNESS

Beauty of the depth of my heart  
So silent it is to adorn me with  
I'm alone in the solitude of love  
Taken away from the far, to adapt  
With silence all- around, sweetness  
Of it speaks the golden memories  
With the inquisitiveness to explore  
What may come, to be part of the  
Mysterious truth of great universe  
To dissect myself, and each element  
Merges with the essence of silence.

## STROKE

A big strike at the brain  
Bleed or clot at the top  
The sense is beaten and  
Sinking the perception,  
Drawn to the helplessness  
Inability to move one side  
Level of brightness gone  
Light is dim or gone totally  
Difficult, muscles to work,  
Man is drawn to stillness  
Rehabilitation continues  
Some recover quickly and  
Many prolong helplessness.

## SUFFERINGS AND MISERIES

Manhood and womanhood dip in sufferings  
For those who are born in this world; those  
Who very near to God are no exception to it  
The fact is some of them have lot of miseries;  
Why is it so, one should find the answer of it  
The ardent faith in God, explains everything  
Man is constituted by the soul, the center and  
The body, the periphery; soul is root of man,  
What God wants mainly is the healing of soul  
The one who goes to the vicinity of God, has  
The sufferings, a purification process for the  
Faith in Him intensified, so as to healing of  
The soul takes place, the central healing, the  
Ultimate one before God, as the healing of  
The body, a reflection only, the less important  
One; the body perishes, the soul lives forever.

## SWEETENED LIFE

Never look back to recollect the mishap  
And even at goodness you had, the vague  
Faint, or clear, memories, whatever you had  
Is in you, it will never get lost, no need to  
Poke it many times and make it submerged  
But the bitter and the sweet past in you, and  
You are touched by them involuntarily, make  
You the rightful, the voluntary element quite  
Unnecessary, it burdens you, it takes away the  
Energy from you, you are drained, immersed  
In it, difficult to escape, memories kill, happy one  
Makes you lazy, sweet memories involuntarily  
Sweeten you, but the voluntary effort to recollect  
Imposes hardness on it, the sweetness is diluted.  
Always make it a point to think and concentrate  
On the present and the future, forgetting the past  
Utilize the full energy for the present, work hard  
Diligently and conscientiously, and have dreams  
For the future, and thus making your life so sweet.

## **SWEETHEART**

The worldly heart can never be a sweetheart  
It is the love of God coated on worldly heart  
God fills the gap between the heart and love  
Such a heart beats with the music of pure love  
The music is angelic, delivered from the depth,  
Too much of tranquility in it, really it's the agape  
True sense of sacrifice for the partner or friend  
Honey dripping from heart, sweetening the other  
God links the two with unbreakable chain of love  
Thinks of the one only, lives for that one only, as  
God rides on the thread connecting both of them.

## SWEETNESS OF LOVE

Too much to say the honey that is pure  
And holy, with it to the heaven, forgetting  
The world, the earth, flying in the horizon  
Of sweetness, suffocating with sweetness,  
Drowning in sweetness, swimming in the  
Depth of it, and digesting it, the only feeling  
Of a bliss, illuminated with the brightness  
From above, with the magnitude of elevation  
Of mind, every moment with the trueness of  
Love, to be anticipated with hope and all the  
Positivity of life, merged with the superhuman  
Element of godliness, and the enthusiasm of  
The greatest feeling of heaven meeting with  
Earth and the magnificence of sweetness in it.

## TEARS

A wonderful phenomenon of godliness  
The purest liquid from God, comes out  
It is the spirit of God in man and it drips  
To drain out the grief and excessive joy,  
To wipe out everything that is unwanted,  
The Gift of God to make man realize, He is  
In man, to console and cool him, in need;  
Let the tears drip down on the earth to be  
Blessed and the holy liquid flow everywhere  
To push the whole of the world to an act of  
Repentance before God and plead for mercy.

## THE BEST LIFE

Moderate earnings, minimum requirements,  
No luxuries, not having eye on others, working  
Diligently to live with hard- earned money, fully  
Satisfied with what one possesses, house is having  
Good ventilation, breathing fresh air, and eating  
Ordinary food, usually travelling by foot, pleading  
To the Almighty for the next day and thanksgiving  
For what all done for the family; they love others  
Never hurt the heart of anyone, simple and humble  
They are, they concentrate on them only, live by  
Their convictions only, so happy and contented  
They are; with the limitations, whatever possible,  
They try to help others; the best life on the earth.

## THE BLESSED SURVIVES

Not the fittest to survive, the weak succeeds  
The melody of His love flourishes, man not to  
Dictate, God decides, man never to boast of his  
Ability, it pulls him down, be empty before Him  
God fills him, thoughtless one becomes his own  
The mission of love from above fills him with the  
Attitude of bringing God down in his heart, and  
Wonderful thoughts come in him with beauty of  
Loving Him, the matter of glory bestowed on him  
As honey from heaven drips down and flowing in  
Man, the input of godly love lifts one to the top of  
Happiness and contentment, never it fades at any  
Time in life, the painful past is over, the cheers of  
Heavenly love makes the person fittest to survive.

## THE FALLEN LEAVES

Fallen but not gone forever, the duty is  
Performed very well in the enthusiasm  
Of being replaced for new, the old is a  
Beauty, colorful the body, the fragility  
Is the nobility, heaviness of the world is  
Gone, lightness exists with the floating  
In air and diving to earth, spreading the  
Carpet of love, kissing the earth, from  
It they had come, merged with the care  
And love of the mother tree, bearing of  
Tenderness with flourishing of prosperity  
At the top, having the breath of love from  
The gentle breeze, swinging and fluttering  
In the sweetness of the wind, now time has  
Come to bid goodbye to everything, one  
Jump is enough to dissolve in the chest of  
Earth, love sparkles and love is recognized.

## THE FISHERMEN

Saviors once, even nominated for  
Nobel Peace Prize when they saved  
Thousands of precious lives at a time  
The massive flood engulfed the state  
Kerala in India, and their kindness rose  
Sky- high as they were real warriors of  
Great sacrifice when all other systems  
Failed, risking their lives, costing their  
Own money, not expecting any rewards.  
After few years, time has changed, they  
Have to protest for their survival when  
They are losing homes and the means of  
Living, the honor of the saviors falls down,  
Broken to pieces, the sweet forgetfulness!

## THE REAL PEOPLE

What is seen today, blindness to justice  
But the eyes on favoritism, and stand on it  
Firmly, it is the justice and truth for them  
They won't hear what others say, so much  
Of happiness and satisfaction in digesting  
What is in mind, and fight for that, though  
Justice is on the contrary, they live like that  
Till their end, the majority live like it; but a  
Minority live above their favoritism, they  
Are with justice, risking their own wishes  
And interests, notwithstanding they face  
The high risk for not sticking to personal  
Interests or gain; they are the real people.

## THE UNKNOWN LOVER

Never he met her, never he knows her well  
But a current of passion encircles his heart  
With the inquisitiveness for, who is she and  
What is she, the umbrella of love gives him  
Shade of comfort and contentment, of loving  
Her with his soul, imaginative image of her  
Is far more superior to and it is much more  
Powerful than seeing her directly, the words  
Of her hanging in soul, he holds them tightly,  
And swinging, the breeze of gentleness blows  
Across his heart and it beats singing the  
Melody of love, may be the act of a lunatic,  
But he contemplated love, the love of the  
Century, for the unknown dew that falls on  
His soul continuously, a rare excitement of  
Love dripping down rhythmically and musically.

## TO CONQUER

Goodness to conquer evil, world  
To accept, the aim to live merrily  
And peacefully, not to be ashamed  
Of anything when succumbs to the  
Goodness; God is love and love all  
What He created, and love among  
All, the great phenomenon of love  
To be infused in everyone, love to  
Flow, deluge, and evil swept away,  
Forgiveness to be the root of love,  
It washes away hatred, life always  
To become healthier, only to relish  
Realities of love, never to complain,  
Always thankful to the Almighty for  
The love given, and we are to transmit  
Love to all and to the next generation,  
Simple way to compliment the creator.

## TOO SMALL TO BE

The one who felt, relished God is too small,  
Too humble, to be the image of him in mind  
Too simple to be, nothing to be proud of, as  
Everything of him belongs to God only, it is the  
Culmination of all the wisdom that amount to  
Nothingness in him, as he realizes everything  
In him is not his; what this simple man has to do  
Is to live by serving others, being a tiny star of God  
Twinkling all the time in darkness to do wonders  
Of God in guiding, helping, others, being ordinary  
Among the multitude, living exclusively for others.

## TRANSPARENCY

Everything to be transparent in life  
The love, the feelings, the thoughts,  
The deeds, all fetch purity in heart  
Without it, life becomes quite opaque  
Nothing is clear, nothing could be seen  
The heart slows down, the soul stills  
What not, everything in chaos; purity  
Should be brought in heart, with all the  
Blooming flowers, sending fragrance  
Then only the bees come and suck the  
Nectar, the fullness of service blesses.

## TWINKLE

The gleam that changes from bright to faint  
The stars that go deep in my heart with twinkle  
Of the soul, too much of dancing both of them  
And I'm lifted to the skies with great fascination  
For love, and rained down to wet and cool your  
Heart, to be softened with divinity of love, and  
Hearts twinkle always to glorify the meekness of  
That boundless love, to design and construct a  
Monument of unflinching love between us for  
The time everlasting, and the love is twinkling.

## UNKNOWN HEAVEN

The destitute girl who was caught for  
Not having the ticket while travelling  
In a train, didn't know where she to go  
But an unknown soul helped her and  
Took her home, and handed over her  
To an orphanage, but later the great soul  
Saw her as the wife of a billionaire; only  
To tell the whole world, an orphan and  
A billionaire, are the same, money will  
Come and go but the soul of everyone is  
Worth more than trillions, the wealthiest.

## UPHOLSTERY

Covering the human heart with the soft  
Pad of holiness, is a must to execute the  
Twinkling of the human life like the little  
Stars in the sky, loaded with the episode  
Of love, the calmness with the glittering  
Of kindness, all through the root of heart  
That signifies the manliness with all its  
Aptitude for harmony and friendliness,  
Too much away from the discontentment  
That may spoil the attitude of love and  
The pleasure of it, to come with the grace  
Of the Almighty, the soft coating on every  
Heart to be transmitted to others, and with  
Happiness and love to every human being.

## WHAT A CONTRAST

Ideologies thwarted, those for the poor  
Become billionaires, exploitation the key  
To extensive growth, straightforwardness  
Hardly seen, cheating and looting bring the  
Society down, escapism, the phenomenon  
Of survival; the farmers are toiling very hard  
But they have no escape from their ordeal  
They are straightforward, innocent, people  
Living on the crops only, nothing else, they  
Find it difficult to live, same for the people  
With meager fixed income, and they can't  
Become rich, the big contradiction is seen  
Everywhere, a revolution of the mind only  
Can put an end to this big disparity and the  
Exploitation, excessive desire for the money,  
Should cease; have genuine love for others.

## WHAT IS LOVE

The words L, O, V, and E, mixed together  
Forming a jam, honey based, an effervescent  
Of purity, steaming with holiness, that is in the  
Form of a semi- solid liquid, red in color, binding  
On the sites of attraction which it decides, as it  
Has the eyes and heart of God, the miniature  
Of Him, rolling over earth like a football, racing  
Very high, and flying, to a goal post, rarely the  
Ball hits the target, many a time it moves out  
With the anticipation of reaching it, no doubt  
The hope continues, the target is evading with  
A wonderful silky feeling inside, very hard to  
Express out, sticking but not fallen, so sweet it  
Is, fragrant too, always feeling inside, goalless  
Draw is much better than the goal full match  
As always thinking and relishing of goal only; the  
Sweetness of God's love above, the world's love  
Around, the earth's love below, the wonderful  
Happening of love all- around, and inside the human  
Heart and soul, the paradise of love blesses man  
And woman with the attitude of kindness emerging  
From it, no matter the powerful wisdom of the  
Wholeness makes its way to feel, to taste, and to  
Relish the matter of culmination, the oneness with  
God; always the best to feel love than touching it.

## WHY I LOVE THEE

Too soft thy heart, too humble thy attitude,  
Too simple thee, magnificent is thy look and  
Heaven in it, tenderness fills in thee, sympathy  
Overflows, love to everyone, face blossoms  
With purity, fragrance of mercy around thee  
I haven't met thee, but thy transparent love  
Floats above me, too big is thy honesty, thy  
Sincerity touches me, thee looked so ordinary  
Outside, thy heart is so big, accommodating  
So much of sufferings and miseries with the  
Beautiful smile, thy soul always reflected on  
Thy face, dew drips from thy eyes, the whole  
World seen in them; an angel came to the earth.

## WINNING

Winning your heart over thoughts,  
Over emotions, the great win ever  
It means you win the whole world,  
Hardly man knows this great truth  
You win basically over yourself, then  
You win everything, too easy to say  
Very hard to do, better practice well,  
Have the enthusiasm for it, and soul  
To be active to overcome mind and  
Body, everything in you suppressed  
But soul is dynamic and it performs,  
Mind and body are to follow it, it is  
The wonder of human life as the soul  
Is godly, and God is acting in humans.

## WOMAN

Softness combined with gentleness, her heart  
Filled fully with tenderness and love, epitome  
Of forgiveness, kindness flows out, fidelity her  
Core, tranquil her mind, but very intelligent and  
Master of cooking, nursing and guiding her family  
Teaching her children, some of them are working  
As professionals, it's one of the sources of income  
For her family, most of them are very God- fearing  
Many of them are bold and courageous to tackle any  
Problems they face, woman is the light of her home  
She is angelic and fills home with love and holiness.

## **POETIC PATH**

DR. K. K. MATHEW

Poetic Path is purely a reflection of poet's inner mind. Profound truth from the inner mind is revealed, and it serves as the foundation for these poems. An attempt is made to explore the mysteries of human life. Most of the poems in the book are highly philosophical and mystical.

The delicate human relationship and the beautiful link between the human soul and the human body are handled with great beauty. Some of the delicate subjects exposed and discussed include the poetic soul, poetic path, and poetic wisdom, which are discussed here with an eye on the inner truths.

Some of the poems have the potential to reach the most delicate realm beyond human thought and feeling. The tenderness, emotions, are mixed with human feelings and thoughts, and they come from the depth of the inner mind to beautify the yards of words.
